Streamline payroll processes: discover our outsourcing services

Experience

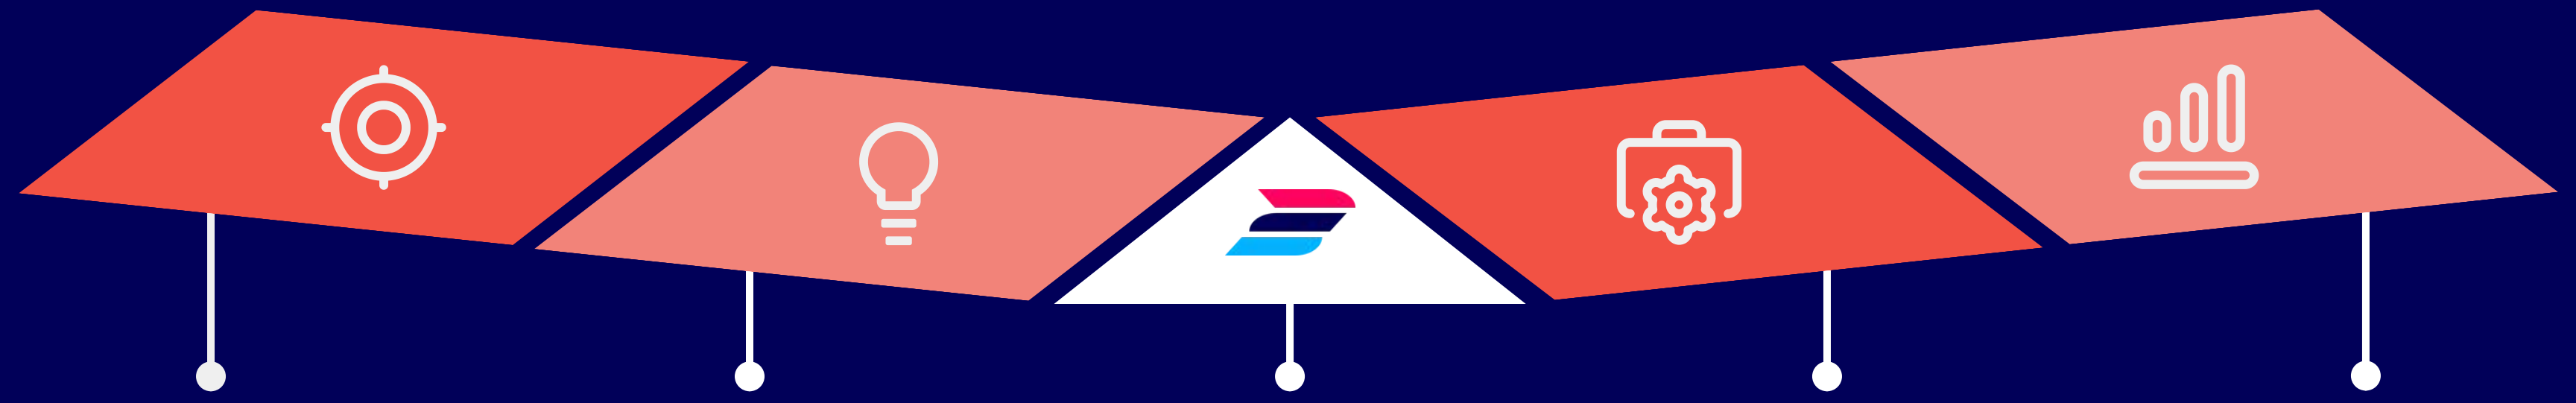

Let us handle the numbers, so you can focus on what really counts

Picture this: As your team receives timely pay, trust in your commitment skyrockets. Behind the scenes, outsourcing ensures compliance with tax laws, streamlines operations, and ensures accuracy in every paycheck. Beyond numbers, it's about empowering your workforce and driving your organization towards success.

Value

Payroll Processing

Compute wages, overtime, bonuses, deductions, issue paychecks, and process direct deposits accurately.

Tax Filing & Compliance

Employer tax payments, including income and payroll taxes, ensuring compliance.

Benefits Administration

Administer employee benefits, handling deductions, and transmitting to benefit providers.

New Hire Reporting

Report new hires, file paperwork with state agencies, and inform tax authorities.

Time & Attendance Tracking

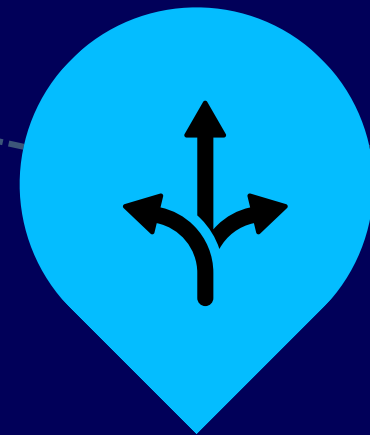

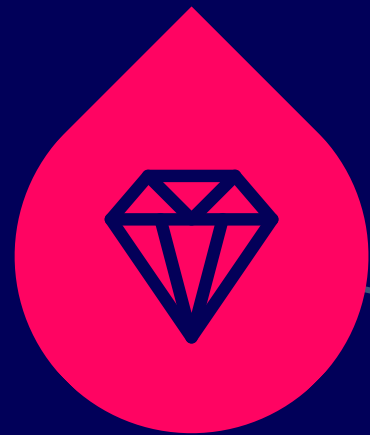

Track work hours accurately with time systems, using clocks, sheets, apps.

Customized Reporting

Generate reports on payroll metrics like expenses, turnover, and labor costs, tailored to their specific needs.

Personalized Service

You're valued. We tailor our services according to your unique needs.

Flexibility

A startup or a corporation. No generic approaches – just tailored services flexible for you.

Responsive Support

Ready to assist with payroll issues whenever they arise. Expect timely, effective help without automated mazes.

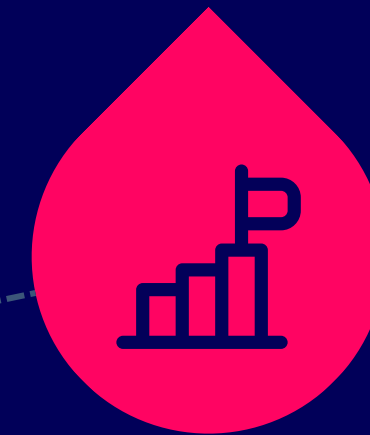

Cost Effective

Competitive pricing without compromising quality. Enjoy expertise and reliability without overspending

Focus on Innovation

Constantly seeking innovative tech to ensure you stay ahead with cutting-edge solutions.

Why S3 - Leading to a Positive Experience

Time Saving

Free HR and Staff, focusing on strategy, not administrative tasks, through outsourcing.

Enhanced Security

Robust security measures to protect payroll data, minimizing the risk of breaches and identity theft.

Scalability

Adapt swiftly to company growth, new hires, market changes, and schedule adjustments.

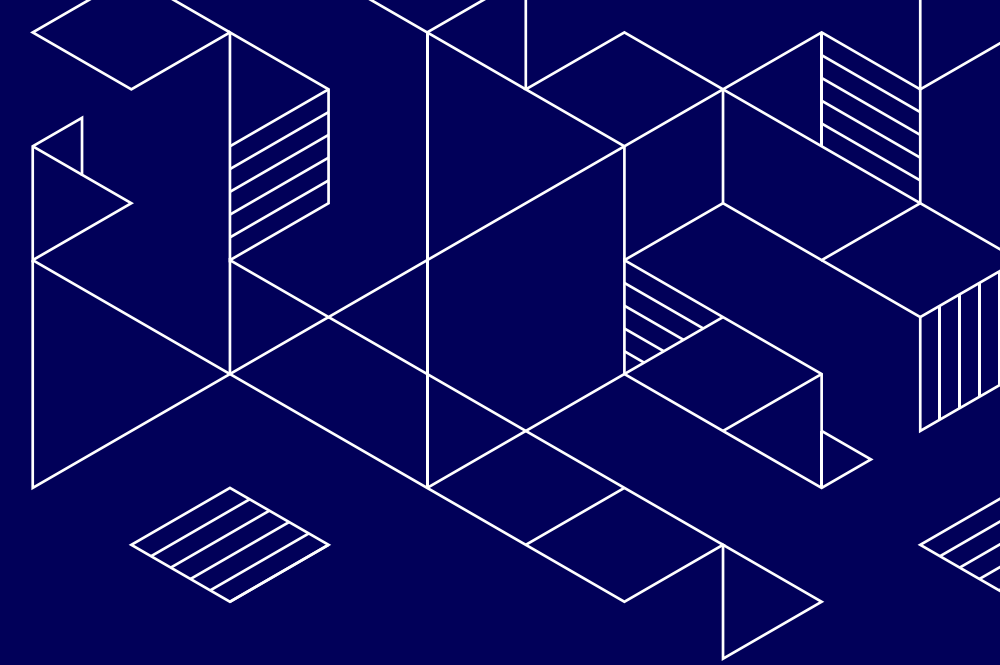

Improved Employee Satisfaction

Boost satisfaction with accurate, timely processing, self-service access, and issue resolution.

Advanced Technology

Utilize tech for efficient payroll, accuracy, and reporting, sans heavy investments.

Integrations

Integrate with other HR or accounting systems or accounting software, to streamline data exchange and ensure data accuracy.

Custom App Development

Develop applications tailored to your unique needs delivered Rapid, Secured and Affordable

Automations (RPA)

Automate tasks from sending employee birthday, anniversary greetings to complex business workflows including BoT's

Workforce Optimization

Transform how you Source, Manage and Develop your workforce.

Employer of Records (EOR)

Global potential with confidence; guiding force through international employment landscapes.
